

1 Adding an RSS Feed to Firefox Bookmarks

In Firefox navigate to the desired RSS feed link and click on it.

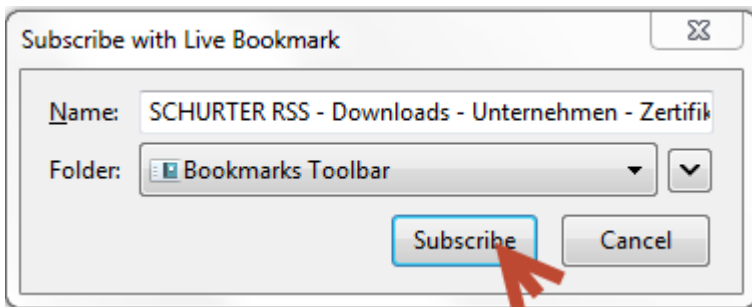

The RSS articles can now be viewed. If you would like to subscribe to this feed, click on the subscribe now button.

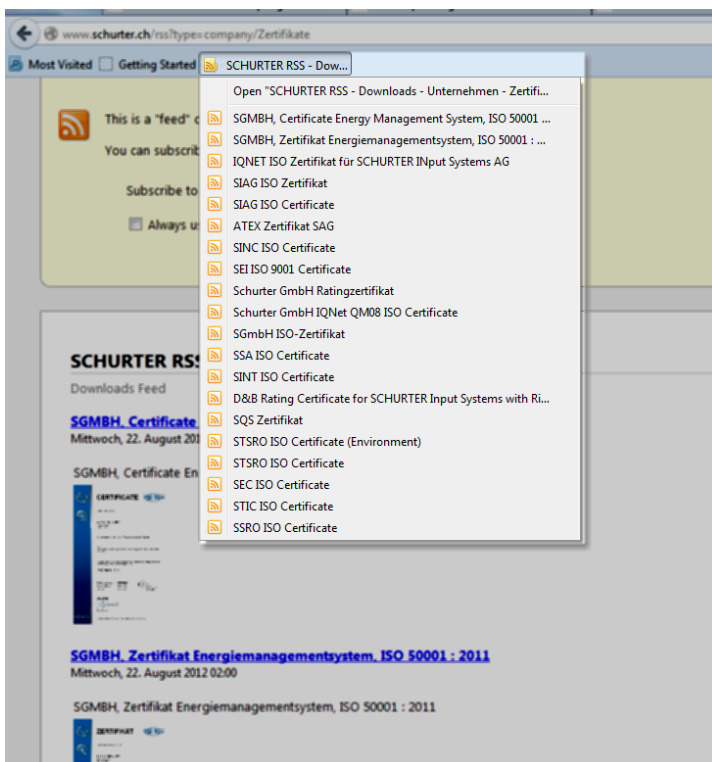

RSS – How to – Firefox					
Creation date	Created by	Release date	Released by	Revision	Page
21.01.2013	MCA	21.01.2013	MCA		1 von 2

Then rename the Feed as desired and click on subscribe.

The feed now appears in your bookmarks.

Firefox does not notify you of the newest items in the feed by making the new items bold.
