

High frequency ground wire choke, shrink hose

See below:

**Approvals and Compliances**

**Description**

- Ground wire chokes (ground line chokes)
- Wire leads

**Applications**

- Separating the main earth line to periphery devices
- This type of chokes permits the building of a system free of ground wire loops

**Technical Data**

|                           |                          |
|---------------------------|--------------------------|
| Rated Current             | 16 - 25A @ Ta 40 °C      |
| Rated inductance          | 0.02 - 0.04mH, Tol. ±15% |
| Power Operating Frequency | > 5MHz                   |
| Terminal Type             | Wire leads               |
| Weight                    | 17 - 51 g                |
| Material: Housing         | UL 94V-0                 |
| Sealing Compound          | UL 94V-0                 |

|                           |                               |
|---------------------------|-------------------------------|
| Isolation Voltage         | 2kV eff., winding to ambient  |
| Climatic Category         | 25/100/21 acc. to IEC 60068-1 |
| Allowable Operation Temp. | -25 °C to 100 °C              |

**Approvals and Compliances**

Detailed information on product approvals, code requirements, usage instructions and detailed test conditions can be looked up in [Details about Approvals](#)

SCHURTER products are designed for use in industrial environments. They have approvals from independent testing bodies according to national and international standards. Products with specific characteristics and requirements such as required in the automotive sector according to IATF 16949, medical technology according to ISO 13485 or in the aerospace industry can be offered exclusively with customer-specific, individual agreements by SCHURTER.

**Application standards**

Application standards where the product can be used

| Organization | Design                         | Standard     | Description   |
|--------------|--------------------------------|--------------|---|
|              | Designed for applications acc. | IEC/UL 60950 | IEC 60950-1 includes the basic requirements for the safety of information technology equipment. |

**Compliances**

The product complies with following Guide Lines

| Identification | Details                                      | Initiator   | Description   |
|----------------|--|-------------|---|
|                | <a href="#">CE declaration of conformity</a> | SCHURTER AG | The CE marking declares that the product complies with the applicable requirements laid down in the harmonisation of Community legislation on its affixing in accordance with EU Regulation 765/2008. |
|                | RoHS   | SCHURTER AG | Directive RoHS 2011/65/EU, Amendment (EU) 2015/863  |
|                | China RoHS                                   | SCHURTER AG | The law SJ / T 11363-2006 (China RoHS) has been in force since 1 March 2007. It is similar to the EU directive RoHS.  |
|                | REACH  | SCHURTER AG | On 1 June 2007, Regulation (EC) No 1907/2006 on the Registration, Evaluation, Authorization and Restriction of Chemicals 1 (abbreviated as "REACH") entered into force.                               |
